

# 2008 Louisville Zoological Gardens' Reciprocal List

*(subject to change)*

A great benefit of the Louisville Zoo membership is the opportunity to visit other zoos at free or discounted admission. This reciprocity program includes more than 120 institutions. Most define "family" as two adults and two children and applies to admission fees only (during regular hours). Other discounts or restrictions may apply.

Zoos/aquariums may treat member categories, policies, parking, etc. differently. We suggest calling institutions ahead to confirm that they will honor your Louisville Zoo membership.
